

Marching Band Pants Hemming

Instructions for hemming pants:

- **DO NOT CUT** or alter the material.
- Use an appropriate hemming stitch so that hems can be pulled out easily at the end of our band season.
- Sew side seams where necessary.

The Uniform Committee has contacted the following alterations specialists to hem our marching band pants. Please make arrangements promptly so that all band members are prepared for the season. Call ahead to schedule the appropriate time to bring your pants to one of them. The hemming must be completed by Friday, September 15th.
