

## Uniform Washing Instructions

1. The **jacket and pants** can be machine washed and dried on a GENTLE cycle. PLEASE follow these instructions carefully.
2. **TAKE THE SEQUINS DROP OFF THE JACKET BEFORE WASHING!!!!** The sequins can not be washed. Gently unsnap the sequins from the jacket. Put this aside. DO NOT WASH THE SEQUINS.
3. Turn the jacket inside out to wash and dry.
4. **Make sure the Velcro is not exposed.** Close the jacket when washing and drying. This will prevent the Velcro from pulling and picking the material during the cleaning process.
5. Wash the jacket and pants on a **Gentle Cycle** with a **NON-chlorine detergent**.
6. Dry the pants and jacket on a permanent press or cool cycle.
7. Once the jacket has been washed and dried, snap the sequins drop back onto the jacket.
8. If you take the pants out of the dryer immediately after the cycle is completed, they should be wrinkle and ready to go.
9. If the pants have wrinkles, please touch them up with an iron, **very carefully**, using a cool setting.

## CARE OF SHOES

**Please clean your shoes after each performance. They should be free of all dirt & debris. Usually a damp cloth works best.**
